

Great Houghton Playing Field Association (A Registered Charity)

As part of our ongoing maintenance and development of the playing fields and village hall GHPFA is involved in a number of both current and planned active projects.

You should be aware that we are currently working to create a 'picnic' area at the top corner of the fields which we hope to have completed by this summer.

In addition to carrying out regular maintenance and recommendations following the annual ROSPA inspections of playground and exercise equipment, GHPFA is considering re-development of the children's playground area.

We are however most keen to receive ideas and suggestion from residents as to what and how you would like this area to be developed or any other comments and suggestions that you may have.

Please respond to:

GHPFA Secretary Chris Carr at:
